of Correction**

Sir:

It is respectfully requested that a Certificate of Correction be issued in order to correct the errors specified in the attached copy of Certificate of Correction Form PTO-1050.

Correction of the same errors was requested previously during the prosecution of the above-identified patent. In a petition filed on May 12, 2005 and a supplemental petition filed June 3, 2005, correction of inventorship was requested. In a Patent Office communication mailed July 5, 2005, the Patent Office acknowledged that the name of the inventor (Yoshihito OWA) had been corrected in Patent Office records, and that a corrected filing receipt was to be issued. However, the corrected inventor name was not printed on the above-identified patent.

In a May 12, 2005 Request for Correction of Palm Records, correction of the identification of the priority document was requested. However, the Patent Office has not responded to that Request.

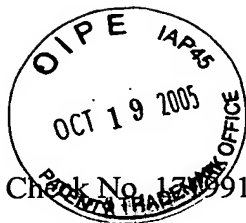

By this Request, correction of the residence of the inventor is requested.
